## Dr. Anthony “Tony” Herrmann - Friend and Board Member of St. Monica’s 1935 - 2024

Dr. Tony Herrmann, beloved family father, citizen of “all things Racine,” and St. Monica’s board member, passed away on November 8, 2024. St. Monica’s wants to share his story with you.

Dr. Herrmann, known as “Tony,” was married to Maxine Madden and was the proud parent of seven children. His son, Eric, is often at St. Monica’s assisting us with many renovation projects.

Tony served as Corporate Medical Director with Johnson Wax and later as Vice President of Health, Safety and Environmental Affairs for Johnson and

Johnson worldwide. He was a proud member of St. Joseph’s Choir and served as a board member of St. Monica’s from 2003-2014.

Tony was also an avid sailor, winning many championships and enjoyed racing with his children and grandchildren.

St. Monica’s is blessed to have been his friend and be named as the recipient of memorial gifts in his honor.

## Arise Physical Therapy – Year in Review!

Thank you to the wonderful community at St. Monica’s for an awesome 2024. I thoroughly enjoyed our twice weekly group exercise sessions, all of the one-on-one PT time I had with some of you, and the continued connection and friendship I share with each of you. Some special highlights include taking Jackie W. ziplining to celebrate her 100th birthday, dressing up in a group Halloween costume, and our recent Christmas bingo party. I’m looking forward to more fun and continuing the mission of maximizing your mobility, independence and safety in 2025. Please don’t hesitate to reach out to me if you’d like to discuss physical therapy or our maintenance exercise program.

Thank you again, and cheers to the new year ahead!
