Community Member of the Month

Mark has two children, both daughters. Mark is very fortunate to have come from a large family. Some of Mark's early hobbies included cartooning. He was a cartoonist in high school and really enjoyed drawing just about anything. He is also a devoted Green Bay Packers fan.

Throughout his career, Mark occasionally gave lectures to professional groups. He also enjoyed home improvement projects. In his later years, weightlifting and working out on exercise machines became an important part of his life. These days, he enjoys playing chess and spending time outdoors.

Mark attended the University of Wisconsin-Parkside for his undergraduate education, earning a Bachelor of Arts degree in Economics and Political Science. He went on to attend Harvard Law School, where he earned his Juris Doctor.

He began his legal career with the Assistant District Attorney's Office, where he served from 1979 to 1982. He then entered private practice with Schwartz, Weber, and Tofte, where he practiced law for 34 years.

Following his years in private practice, Mark became a Municipal Court Judge, -

- serving for 10 years before continuing his judicial career in Circuit Court.

Throughout his career, Mark became best known in the community as a dedicated criminal defense attorney. He takes great pride in helping people navigate difficult circumstances, protecting their rights, and keeping them out of trouble whenever possible. His commitment to the law and to the people he serves has been a defining part of his professional life.
