

Year in Review, Continued.

St. Monica's also upgraded two rooms with walk-in showers and plans to update more this coming year.

Stephany Lichter, RN, MSN joined us this year in July and has continued to improve nursing processes for the organization in her short time at St. Monica's. Other improvements include switching to a new pharmacy provider called Health Direct. This coming year, she anticipates implementing a new Nurse Call system to improve call answering times and efficiency.

Joan Windis has continued to teach Dementia classes to the general public and our families. The next class will be February 2nd @ 10:00am. She also plans to start a "Support Group for families caring for a loved one with Dementia or Alzheimer's Disease." This will be in collaboration with Patti Poulsen and Jayne Rau from the Memory Care and Hospice Alliance.

St. Monica's continues to provide up-to-date education classes for all staff. A new class was added called "Dementia Live" in addition to the 15 hours of mandated education all staff receive each year.

St. Monica's participated in the 4th of July parade with a float for the first time and were the only assisted living facility that had a float. We also participated in the Racine Christmas parade keeping us visible as an organization and providing entertainment for many community members.

If you have ideas on new activities or changes that you would like to see, please contact me. You can find my office on the West side of the main elevator or call me at 262-321-7131. We encourage your ideas and participation to continue making St. Monica's the best!

Year in Review: 2018

By Loretta Baxter, Administrator

2018 was a busy year as we adjusted to our newly renovated building and new Memory Care. All of us have enjoyed the new chapel and the new entrance along with the new coffee area and outdoor patio. The Memory Care Wing community members and staff have settled in and are accustomed to their new home. In August, Patti Poulsen joined us as the new Memory Care manager. She brings many years of experience in the Assisted Living environment and Memory Care. Another joyful addition is the two Sisters of the Holy Spirit, an Augustinian order from India, Sr. Vineeta and Sr. Karuna who both work in the Memory Care. Their compassionate care is evident every day and we are pleased to have them join us.

St. Monica's has obtained the "Best of Racine" for the 3rd year in a row and continues to be a facility of choice for many looking for an outstanding supportive living community.

The Assisted Living side continues to update our facility. This past year Mirsad Aslani, Maintenance Supervisor replaced our lighting with new LED lighting units. The new lighting is superior and more efficient and easier on our energy bills.

Timber!

Many of you have noticed that we are taking down trees on the west side of our campus, behind the gazebo area. We have two fantastic volunteers, Larry Zabel and Dan DeBaker who are our lumberjacks.

How did this come about? In the last couple of years, the deadly Emerald Green Ash Borer has devastated the ash trees in S. E. Wisconsin. We have over 50 ash trees on our property and have determined that at least 42 have to be taken down. As you can imagine, the cost is quite expensive, so Larry and Dan said they would take some trees down in their spare time.

Larry is retired, but was a plant manager for Eckmann Custom Products. Larry is married and has two sons. He also has three granddaughters who are the delight of his life.

Dan is retired and is on our Board of Directors. He is married and has five children, 4 boys and a girl. He also dotes on his 11 grandchildren.

It will be months and months before all the trees are taken down. We plan on replanting starting this spring.

The side walk is still open for those of you who enjoy walking outside, but for safety reasons, please not when a tree is being taken down.

St. Monica's Welcomes our New Community Members Harvey & Virginia Mauer

Wow, look at our newest community members, Virginia and Harvey Mauer. These two have lived their lives in Racine.

They have been married for 68 years! They were set up on a blind date by a friend of Harvey's who worked with Virginia. They had their first date at a dance at the VFW club and one year later they were engaged to be married. They have three children, Steven, David and Linda, who all live in the Racine area. They also have five grandchildren.

Harvey worked as a computer technician and retired after 39 years from National Cash Register (NCR). He enjoyed his work and enjoyed his home life taking care of his home. Virginia calls him "Mr. Fixit."

Virginia worked for Racine Unified where she managed the Horlick cafeteria for eight years before her retirement. Virginia is an active card player, including sheephead and bridge. She loves to exercise and was a member of three different golf leagues.

Both Harvey and Virginia enjoy traveling. Some of their visits included Germany, England, Netherlands and Hawaii. They also enjoyed camping.

Let's welcome Harvey and Virginia to St. Monica's!

Happy Hour has become very popular so our friend Kenny will be sponsoring our 1st Friday happy hour. If you like great songs and a beverage please join us in the party room @ 2:30 every 1st Friday of the month.

Dementia Support Group

We are pleased to announce that we will be sponsoring a dementia support group for family members. We have listened to your concerns about what the future holds, lost or bewildered, we feel we can be of assistance to our family members. In partnership with Hospice Alliance we are going to sponsor a Dementia Support Group to all our family members, friends and concerned parties. These sessions will be held on the 1st Tuesday of every month, starting in February, at 6:00pm. Our Dementia Trainer, Joan Windis and JoAnn Brown from Hospice Alliance will be the facilitators for this program. We are here to listen and for you to interact with others who are going through some of the same circumstances.

For questions or to reserve your seat please call 321-7138.

"Moonlight Serenade" *St. Monica's Annual Winter Dance.*

Our annual winter dance is this month and we are already preparing for it. This year's gala event will be bigger and better than ever.

Our music is provided by the fabulous "Men in Black," a five piece band playing our favorite dance numbers. We'll have transformed our party room into a ballroom, complete with photo opportunities. There will be tasty tidbits and sparkling refreshments available.

Our dance is Friday, January 25th @ 6:00pm.
Please invite your family and friends to attend this sparkling affair. If you wish to reserve a table please call 321-7135 and tell us how many in your party. Our band will take requests so bring the song titles of your favorite dances or tell us ahead of time and we'll request it for you. We hope to see you all there!

Our Nurses remind us to please cover those pesky coughs and sneezes. If you don't feel well please let the nurses know. We should also keep washing our hands whenever possible. There are also many sanitizers placed around the building.

Caught You Caring.....

Jaliin Collier was caught going above and beyond with his help and caring for our community members. He always has something nice to say, and his smile lights up the room. Jaliin has been a member of St. Monica's Caregiver's team for 16 months. He enjoys his team and our community members stories are inspiring to him. In his spare time he likes to draw and do ceramic work. He also likes a lot of sports.

Congratulations Jaliin!!!

Caring Memories

It has been over a year since we opened our doors to our new wing of memory care. We have fine-tuned our care and have learned to love each individual we care for.

What we really have come to appreciate is the sharing and caring we experience from other community members. Members such as Nancy who shares her talent on the piano and plays for them at least twice a week. Or Jeff, who takes the time to visit with old friends and talk about their memories. We have board members, old and new, who make time in their busy schedules to visit, go on outings, bring their pets all for others to enjoy. Not just for these few, but for all who share your lives with us, we extend a heartfelt thank you and bless you!
